Dear Executive Dooley and Mr. Douglas:

On February 12, 2007, the Division of Workforce Development (DWD) received a written request from the St. Louis County Region to transfer \$350,000 from the Dislocated Worker program to the Adult program. A request was then made by DWD to formally submit the proposed Modification # 3 to the St. Louis County Region's Program Years 2005-2006 Workforce Investment Act Plan. This Modification was received on March 23, 2007.

Based on a complete review, DWD has approved this Modification, with a retroactive date of April 2, 2007.

Thank you for your continued support in providing employment and training services to the customers of the St. Louis County Region. Please contact Clinton Flowers (573) 526-8261 or Sue Sieg (573) 751-3106 if you have any questions or require further clarification.

Sincerely,

Roderick Nunn
Director
